MISSION STATEMENT

St. Anne's Catholic Community

Aware of our rich Roman Catholic tradition and our own particular parish needs, we commit ourselves to the building of a Christian community in which the Gospel of Jesus Christ might be exemplified and fulfilled.

To accomplish this mission and vision, we covenant ourselves to action in the following areas:

Prayer:

That individually and as a parish, we must create an atmosphere in which we recognize prayer as essential to our lives and liturgical celebrations as public expression of the source and summit of our lives in Christ.

Education:

That individually and as a community, we support Catholic education and a learning environment that addresses the uniqueness of each person by providing opportunity for maximum spiritual, intellectual, physical and social development.

Fellowship:

That individuals, small groups and the parish community recognize our responsibility to welcome all, accept our rich diversity, reverence our uniqueness and reconcile our differences.

Outreach:

That individually and as a community we pledge ourselves to be aware of the needs of others. We must not hesitate to respond to suffering, deprivation, separation or the loss of human dignity.

Today we gather in joy to celebrate the holiest and most wonderful of days: Easter Sunday! Jesus, who sacrificed his life on behalf of us all, has been raised from the dead. Alleluia! This is the day that gives meaning to Jesus' suffering and death, and in turn to our own. Suffering and death are not the end. Jesus has led the way to his Father for all eternity. How appropriate that we gather today for the Eucharist and give thanks to the Lord for the ultimate sacrifice he made for our sins. In the Eucharist we receive his Body and Blood, more closely uniting us with him, now and eternally. Let us celebrate as we are reborn in the Lord.

A Message from Father Tom...

Alleluia, he is risen indeed!

Easter, the Pasch (from "Passover"), is the season we have entered into for the long-haul of seven weeks (so don't burn out early). This is the time in the early Church when the Sabbath was superseded by the Day of the Resurrection, the 8th day, the day of new life: of a new creation. It is, in many ways, the day toward which all creation has been pointing: a day of abiding/dwelling/remaining in God (in the Body of Jesus, who is himself God) which is part of how we understand God's creation of the world. But while this is a large liturgical season, each and every Mass (which is routinely offered daily) is a mini-Easter.

The Paschal Mystery is celebrated and lived out as we bring our hearts to Christ (again, as his Body), who becomes present among us evernew, in his continual offering of himself to the Father. This sacrificial mediation is where we have our life. Jesus is not a courier of prayers, but the prayer itself answered. For all good prayer at its heart gives thanksgiving to God for who he is, and because of his great glory, relies on a trust in times of help. Ultimately though, this trust in God comes from the great miracle of the Pasch (Easter), where God makes good on his own relationship with his Son, raising him from the dead.

We who are Christ's Mystical Body can strive this season to have the trust of Christ throughout all we do, recognizing the one God and Father for who he is, instead of trying to take on his role ourselves. Be not afraid.

Alleluia!
