## MISSION STATEMENT

**St. Anne's Catholic Community**  
Aware of our rich Roman Catholic tradition and our own particular parish needs, we commit ourselves to the building of a Christian community in which the Gospel of Jesus Christ might be exemplified and fulfilled.

To accomplish this mission and vision, we covenant ourselves to action in the following areas:

**Prayer:**  
That individually and as a parish, we must create an atmosphere in which we recognize prayer as essential to our lives and liturgical celebrations as public expression of the source and summit of our lives in Christ.

**Education:**  
That individually and as a community, we support Catholic education and a learning environment that addresses the uniqueness of each person by providing opportunity for maximum spiritual, intellectual, physical and social development.

**Fellowship:**  
That individuals, small groups and the parish community recognize our responsibility to welcome all, accept our rich diversity, reverence our uniqueness and reconcile our differences.

**Outreach:**  
That individually and as a community we pledge ourselves to be aware of the needs of others. We must not hesitate to respond to suffering, deprivation, separation or the loss of human dignity.

Take a look around you as you make yourself at home in God's home. As you entered, did you welcome others as perhaps you yourself were welcomed? Did you see anyone you did not recognize? Did you give them the once over and make a judgment, perhaps in the back of your mind? In today's second reading, Saint James instructs the Christian community to show no partiality in their assembly. He warns them that those they may tend to avoid or ignore may be exactly those whom God chooses for the kingdom. In that spirit, let us always warmly welcome all who join us to worship the Lord.

## Grandparents DAY

Grandparents bestow upon  
their grandchildren the  
strength and wisdom that time  
and experience have given them.

Grandchildren bless their  
grandparents with a youthful  
vitality and innocence  
that help them stay  
young at heart forever.

### A Message from Father Tom...

When Jesus performs miracles, they have the primary function of demonstrating the wonders of the Kingdom, how God wants to restore the people and join with them in rest.

The healing we hear about in this Sunday's gospel is something we retain in infant baptism (and in a different way for adult baptism); as we enter into the life of Christ and his Church, the priest, who is In The Person of Christ the Head, commands that each neophyte have their ears and mouth opened that they may hear the word of God and proclaim it. When we who aim to be poor in spirit receive such a great gift as inclusion in the life of blessedness, it is only right that we shout from the rooftops the Glory of God, especially because we are given graces and helps to do it through the Sacraments.

Our challenge and task is to cooperate with those graces. Our parents and godparents help us especially when we're young, but as we grow in maturity and understanding, it's our task of participation to take up each and every day. That is, if we prefer eternal rest to eternal torment.
